

## *Prescreening Questionnaire*

-Have you tested positive for COVID-19 that you have not fully recovered from?

-In the past 48 hours have you had, or are you currently experiencing:  
**<https://novascotia.ca/coronavirus/when-to-seek-help>**.

1. Fever OR cough (new or worsening)

OR

2. Two or more of the following symptoms (new or worsening);

-Sore throat

-Runny nose

-Headache

-Shortness of breath

- Have you traveled outside of Atlantic Canada (NS, NB, PE, NL) within the last 14 days, or been around anyone who has?

-Have you had unprotected close contact with individuals who have a confirmed or presumptive diagnosis of COVID-19 (e.g. individuals exposed without appropriate PPE in use)?

If you answer yes to any of the above questions or if you become symptomatic at any point prior to your scheduled appointment, please postpone your treatment until you are well and symptom free. You should also visit the 811 on-line self-assessment tool at **<https://811.novascotia.ca>** if you are unwell the day of the appointment and only attend if you are told you do not need to be tested for COVID-19.
